I am a United Methodist Christian educator. Very picky, bought this on a whim thinking it could provide some reproducible. I am so impressed with the quality of this resource. It is an excellent overview. I could see this being used in an adult or youth Sunday school class for the first 30 to 40 weeks. Everybody doesn't need a book, this is reproducible. And only certain pages would need to be copied. A good teacher could take this book and lead a class in some excellent discussion with everyone having a Bible to look up Scriptures along the way. Impressed.
